## Corrigendum

### Corrigendum to “Similar long-term swallowing outcomes for accelerated, mildly-hypofractionated radiotherapy compared to conventional fractionation in oropharynx cancer: A multi-centre study” [Radiother. Oncol. 172 (2022) 111–117]

James M. Price<sup>a,b</sup>, Catharine M. West<sup>b</sup>, Lynne M. Dixon<sup>c</sup>, Zsuzsanna Iyizoba-Ebozue<sup>d</sup>, Kate Garcez<sup>a</sup>, Lip Wai Lee<sup>a</sup>, Andrew McPartlin<sup>a</sup>, Gillian Williams<sup>e</sup>, Fin Slevin<sup>d</sup>, Andrew Sykes<sup>a</sup>, Robin J.D. Prestwich<sup>d</sup>, David J. Thomson<sup>a,b,\*</sup>

<sup>a</sup>Department of Clinical Oncology; <sup>b</sup>Division of Cancer Sciences, Faculty of Biology, Medicine and Health, The University of Manchester, The Christie NHS Foundation Trust, Manchester; <sup>c</sup>Weston Park Hospital, Sheffield Teaching Hospitals NHS Foundation Trust, Sheffield; <sup>d</sup>Department of Clinical Oncology; and <sup>e</sup>Departments of Nutrition and Dietetics, Leeds Cancer Centre, Leeds, UK

The authors have revised the list of authors to include Gillian Williams, a Dietitian in Leeds, as a co-author. She was involved in the swallowing/dietetic aspects of study design and data collection. All the authors are in agreement with adding her as a co-author.

The correct author list is updated as above.  
The authors regret the omission of Gillian Williams and apologize for any inconvenience caused.  
No other changes were made to the manuscript.
